ENTER AND BEHOLD
A LIFESTYLE OF PRIVACY,
RESERVED FOR YOUR
EYES ONLY.

A WORLD OF PRIVACY

What if you lived in a vastly private world where it was just you and no one else. Where the ground you tread on, and the air you breathe is yours and yours alone.

Sounds impossible? We beg to differ.

Life at EKTA Invictus is a highly private affair. There's only one apartment per floor. Notice the utter lack of sound? That's absolute privacy. It's just you on the floor. Which means, your only neighbours will be a wayward fleet of birds, or a stray cloud passing by. And that's just the preamble. Each abode is designed to give you complete privacy. Step in for a life away from the public eye.

**A PRIVATE ELEVATOR,
AT YOUR SERVICE.**

Those not accustomed to sharing things, can rest assured that here, even the journey up from the grand entrance lobby to your exclusive abode, is a highly private ride.

At EKTA Invictus, you have access to your own private elevator, one in which you glide, right into your home.

A LIFESTYLE TAILOR-MADE TO YOUR TASTE.

While most follow trends and fads from around the world, a select few prefer living by their own design. Individuals who bring their own distinct aura and style to wherever they go. And for them, we present our select bare shell luxury residences.

At EKTA Invictus, we raise a toast to each of our residents' signature style. Which means, when you move in, lavish 4 BHK bespoke residences will be ready for you to design and furnish as you please. From a Fendi Casa dresser in the master bedroom, to a handcrafted French Heritage dining table in the living room, every niche will be a reflection of your unique personality.

DESIGNED TO AWE

The square plan of the tower beautifully binds all the dwelling units while maintaining clean and spacious internal spaces. It serves as a place solely created to offer an exceptional quality of life to its residents.

ALL YOUR FAVORITE PLACES, A SHORT DRIVE AWAY.

Living at EKTA Invictus implies that you're only a leisurely drive away from malls, restaurants, parks, colleges, heritage sites and more. Which means, you can indulge in all the attractive benefits of residing in a great location, without the hassle of arduous travelling.
